

UNITE Service Lock-In

WHAT

Our UNITE students desire to serve, and this year we are doing that by serving our own community of Sioux Center! This will be replacing the summer mission trip.

WHEN

This AMAZING lock-in weekend will be from Friday, May 3 to Saturday night, May 4. Parents will drop off on Friday, and pick up Saturday night. Students are encouraged to participate in His Hands His Feet on Sunday morning with Bridge of Hope to finish our weekend of service!

WHERE

This will all take place at the Ministry Center! We will eat, sleep, worship, and play here. When it comes time to serve, we will drive into the community and serve locally through different organizations in Sioux Center!

HOW

Specific details will be emailed to the parents and students specifically involved, but we would LOVE for you to be in prayer for us as we humbly serve our own community!

WHO

ALL UNITE students AND our current 8th graders in CONNECT who will graduate this summer are invited to join!!
