***Junior High/High School Youth Ministry:**

Youth Ministry falls under the direction of the Youth Discipleship Team. The group’s name are CONNECT & UNITE. They exist to **empower** students to be deeply rooted in Christ, **encourage** fruitful and meaningful relationships with one another, and **embolden** students to love and serve their community.

The main building blocks of Bridge of Hope’s youth ministry are:

- **CONNECT (6th-8th):** They gather two Sunday nights each month for large group/small group time from 7:00-8:30pm. Each of these nights are structured very similarly, starting with down time to connect with everyone, flowing into 15-20 minutes of large group time discussing the lesson, ending with roughly 30 minutes of small group time. These small groups are broken up by age and gender with 1-2 leaders walking alongside each group.
- **UNITE (9th-12th):** High school students gather twice a month on Wednesday evenings for large group time from 7-8:30pm at the Bridge of Hope Ministry Center. These meetings, similarly structured like CONNECT, begin with informal time to talk and enjoy snacks together before digging into the lesson for the evening, and ending with discussion among their peers and their leader(s).
- **Outings/Events:** At least once each month CONNECT and UNITE will get together to be young, wild, and free out in the world. Kidding. Each month they hope to have a fun event that will help build community within the group. These events will vary from “going out” to places like Sioux City or Sioux Falls to participate in fun/learning activities, to “staying in” at places like the Ministry Center.
- **Small Group Night:** This is an informal time that is scheduled by each small group’s leader in order to spend time growing the community within each small group! Typically this outing will happen two times each semester, but can happen as often as the groups would like.
- **Service Component:** As their mission statement says, both CONNECT and UNITE want to be groups that emboldens students to love and serve their community, and in order to do that, the students are involved in service opportunities throughout the year. This happens once each semester in the community, and there are often little service opportunities along the way for students to be a part of! UNITE also participates in a summer mission trip to experience new places and learn more about what it looks like to serve as Jesus did in our world.
