The congregation is scheduled to help with preparing, serving, and cleaning up coffee, etc. We're grateful for everyone's commitment to take part in helping our church body function at its fullest.

The coffee cart will be setting out when you arrive. There are instructions inside the coffee cart which explains the process. Please plan on having the coffee pot and the hot water pot going by the time church begins. It may take 20-25 minutes to get things set up.

When you're done and everything is packed away, you may leave the coffee cart in the cafeteria. The set up/take down crew will put it away.

If you are unable to serve, we ask that you trade with someone and contact the church office so the trade can be noted on the bulletin.

Thanks again for your help!
