The congregation is scheduled to help with preparing, serving, and cleaning up coffee service items. We're grateful for everyone's commitment to take part in helping our church body function at its fullest.

The coffee cart will be setting out in the lunchroom when you arrive. There are instructions inside the cart which explains the process. Please plan on having the coffee pot and the hot water pot running by the time church begins. Note: It may take close to ½ hour to get things set up.

When you're done and everything is cleaned and packed away, you may leave the cart where you found it. The set up/take down crew will put it away.

If you are unable to serve on the date assigned, we ask that you trade with someone and contact the church office so the trade can be noted in the schedule.

Thanks again for your help!
