“Sermon Rewind” LINK Small Group gathering following *THIS morning's service* in **Room 2133 (NORTH hallway)**. All adults are invited to join as they discuss the morning's first message of this 4-part sermon series on the book of Titus. Following are the questions we'll be discussing:

1. What did you hear today? What stands out? What will you take with you?
2. Share some good news from your life with your group. What people, stories, or parts of creation compel you to join in or revel in the goodness of God?
3. What lies do you believe in your life? Why do you think that is?
4. What truths combat those lies? How can you incorporate those truths into your life?
5. End your time together by sharing the most beautiful and compelling part(s) of the Gospel of Jesus.
